## Saved a Soldier's Life.

Facing death from shot and shell in the Civil war was more agreeable to J. A. Stone of Kemp, Tex., than facing it from what doctors said was consumption. Then I began to use Dr. King's New Discovery, which completely cured me. I now weigh 178 pounds." ## WOMEN'S WOES

Barre Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties, in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work, with racking pains and many aches from kidney ill. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well, and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys, and is endorsed by people you know.

Mrs. Eliza Mitchell, 42 Maple avenue, Barre, Vt., says: "I was subject to attacks of kidney complaint for some time. The passages of the kidney secretions were too frequent, and I also had severe pains in my back and hips. I was subject to dizzy spells, and any cold I caught was sure to make the trouble worse. A number of my family had used Doan's Kidney Pills and been so greatly benefited that I decided to give them a trial. I got a box at E. A. Drown's drug store and had taken but a few doses before I experienced relief.

The pains in my back gradually diminished, the kidney secretions passed more regularly and my condition greatly improved. I have taken Doan's Kidney Pills occasionally since then, and have found that they act as a tonic to my kidneys, keeping these organs in a normal condition. I consider it a pleasure, as well as a duty, to make the value of this remedy known to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-McIlhenn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## PEERS TAKE REFORM STEP.

Vote That Title Alone Should Not Insure Seat in House.

London, March 24.—The house of lords, by a vote of 175 to 17, passed the third and last resolution introduced by Lord Rosebery in furtherance of his program for the reformation of the upper chamber.

## CURES PIMPLES QUICKLY

Simple Remedy That Clears Skin Quickly of All Eruptions.

For several weeks past, D. F. Davis has done the biggest business Barre ever had in any one article in selling Hokers, the skin food that has won so many friends in Barre.

It has been found to be an absolute cure not only for all minor skin troubles, such as pimples, blackheads, herpes, acne, scaly scalp, complexion blemishes, itching feet, piles, etc., but for the worst cases, ulcers, or even chronic eczema and salt rheum. There has yet to be found any form of wound or disease affecting the skin or mucous membrane that Hokers does not heal, and its action is so instantaneous that those who try it are simply delighted with it right from the start.

In spite of its unusual curative powers, the price is trifling. To convince everyone of its merits, D. F. Davis will sell a liberal sized jar for 25c, larger size 50c. And remember that if you do not think it does what it claims, you get your money back. You certainly can afford to try it on this plan.

If the skin disease is caused by impure blood, or if the bowels are inactive, use Hokers Blood Tablets. They cool and cleanse the blood and regulate the bowels in a natural way.
